Property Description

BANK Owned home with style located in a pride of ownership neighborhood. A view of the harbor and ocean through the trees. This two story home has a wonderful flow that you will experience the moment you step onto the entrance foyer. Hard flooring throughout all rooms with tile in the bathrooms. Living room with fireplace. Granite counters, gas range top, double stainless steel ovens in the kitchen. Dining room is to one side of the kitchen with a family room on the other side. Two sets of glass sliding doors lead you to the fenced back yard. Two bedrooms are located on the main floor. The stairway to the upstairs ends at an open loft area that could be ideal for an office. A nice size master bedroom with a walk-in closet. There is amply room in the master for a sitting room area. The fourth bedroom sits across the hall.
